FROM : Chief, Language Services Division

SUBJECT: Progress Report for Week of 26 May through 30 May 1952

1. SRA Group 18 began classes on Monday, 26 May, with an enrollment of thirteen students.
2. At least one additional student has been made available for the summer program at Yale.
3. One application for outside training has been approved.
4. A number of conferences have been held with prospective students, and ten new students have been added to the number engaged in advanced self-study in the language laboratory.
5. The language laboratory is now open on weekdays between the hours of 0700 and 2000. The extension of the time in the morning was occasioned by numerous requests from students, and the attendance at this hour has been most satisfactory.
6. For the week ending 23 May, a total of 286 student hours was recorded in the laboratory. This represents a slight increase over the preceding week.
7. Several conferences have been held with representatives of other divisions concerning the language survey forms. Plans are underway to extend the time allowed for the completion of the questionnaires in the divisions to 30 June 1952. A memorandum to this effect will be mailed today.
